# ABOUT US

**Ecuamaki is a U.S.-based global distributor of organic Ecuadorian products, passionately committed to sustainability, nutrition, and cultural connection. Founded in 2017 by Bolivar Enriquez, Ecuamaki was born from a desire to bring Ecuador's rich agricultural heritage to the global stage while fostering healthy, eco-conscious lifestyles. Operating from Chino Hills, California, we bridge Ecuadorian farmers with international consumers by offering a curated selection of premium superfoods, organic fertilizers, and ethically sourced coffees. Our best-selling items include organic white quinoa, amaranth, and three distinct coffee blends under the Kafetal brand—each crafted for a unique flavor experience.**
